## **Roster**

This newsletter includes the latest club roster. Please respect the privacy of our members – you may use this information, but do not share or publish it. Thanks!

## **Observing**

Do we dare hope for a clear sky? It could happen! Do bring your equipment (and a sweater).

## **Wanted: Enthusiastic Speakers**

Do you have a favorite sky-related topic to talk about? It would be fun to hear from more of our members! Think about this – then get in touch with Gretchen or Dale to get on the calendar.
