Next Month’s Party

Don’t forget, next month is a party instead of a meeting! Invitations and directions will be sent to all **current** members later this month.

Speakers Wanted

Time to plan next year’s speakers! Three questions:

- Do you know of a good speaker we should invite?
- Would you like to give a presentation for the club?
- Should we do another “Short Talks” program with 3 or 4 member presentations?

Please respond to Gretchen: GLTPatti@gmail.com

Astronomical League Online
